<b>9</b>	Yes	Yes	No	No	No	Yes	No	No	No
<b>10</b>	Yes	Yes	No	No	No	Yes	No	No	No

*Above connections are standard configurations. Custom connections can be made easily by adding a leg kit. For example, bridge sections such as the #2 and #7 can be attached together with the purchase of a leg kit installed between the two modules.*

*No waiting for custom manufacturing. Simply call in to confirm your configuration with one of our helpful staff and your 'custom' configured access ramp is ready to go!*
